**II. COMMITTEE REPORTS:**

**A. Applications: (Hand-out)**

1. Dr. Jay D. Kim - Application for dental license. This application was reviewed on June 3, 2015. Dr. Kim took the WREB exam in June 2009 and the Board requested that WREB provide individual scores for each category with a score of 75% or higher. The Board reviewed the additional information provided by WREB and approved this application.
2. Dr. Raquel M. Rozdolski - Application for a dental license. This application was reviewed on June 3, 2015. Dr. Rozdolski took WREB in March 2012 and took the NERB DSE in May 2012. The Board requested that WREB provide individual scores for each category with a score of 75% or higher. The Board determined that it appears the scores did not equal a 75% or higher in each category. The Board requested that Dr. Rozdolski obtain from NERB each individual scores for each category for the DSE exam.
3. WREB - The Board reviewed a letter from Sharon E. Osborn Popp, Ph.D. Testing Specialist/Psychometrician from the Western Regional Examining Board concerning their test scores. Their standard report does not include percentages because candidate passing performance is not based on a conventional percentage. The overall result reflects passing standards set for each examination section according to the current and previous editions of the "Standards for Educational and Psychological Testing." The Board took this as informational.
